COURT ROUNDUP: Ten Cases Heard by Two Judges

San Mateo County's two superior courts, which a week ago had 15 criminal cases on the law and motion docket, Monday afternoon had another bumper crop of 10 cases, five in each court.

Of the 10 persons who went before the two judges, three were accused of narcotics violations, two of rape, two of passing bad checks, and the rest of other felonies or misdemeanors.

In Judge Aylett R. Cotton's court:

Floyd Barnes, 48-year-old Oakland mechanic arrested by deputy sheriffs on Nov. 8 in Bayshore City, pleaded guilty to possession and transportation of narcotics. He was given 90 days in jail. Barnes was picked up at a carnival concession with a jar of opium in his possession.

Irvin V. Ellsberry, 22, pleaded guilty to burglarizing the home of Don Johnson, 120 Locust St., Redwood City, on Dec. 7 and stealing butter, eggs and other food. He asked for probation and is to be sentenced on Jan. 10.

Reed Butler, 24-year-old Redwood City radioman, pleaded guilty to a charge of assault with a deadly weapon, asked for probation, and will be sentenced on Jan. 10. He slugged a Redwood City taxicab driver, Louis F. Proto, with a blackjack on Nov. 10 in Menlo Park.

Raul R. Perez, 21, a South San Francisco laborer, was arraigned on a rape charge, and his case continued until next Monday, when he is to enter a plea. He is accused of assaulting a 17-year-old girl in South San Francisco on June 25.

Millard H. Haney, 29-year-old Daly City service station attendant, will go on trial again on Jan. 18 on the charge that he raped a San Francisco woman. The first trial resulted in a hung jury.

In Judge Edmund Scott's court:

Arthur E. Lyons, 27, a San Mateo salesman, was given probation after he pleaded guilty to passing a $23.80 bad check to Fabbro's Cafe, Redwood City, on Nov. 18. The judge ordered him to make good in four months the bad checks he has written, totaling $277.

Willie Johnson, 50-year-old laborer, was arraigned on a dope charge and granted a week's continuance after Howard Gawthrop was named his attorney yesterday. Johnson is accused of selling 18 marijuana cigarets on Nov. 26 in his Five Points home.

James Cook, 29, also a laborer, appeared on a similar charge, Marcel Biscay was appointed as his attorney, and the case continued until next Monday for arraignment. Cook is charged with having in his possession a can of marijuana when officers raided his home in Five Points on Nov. 30.

G. D. Webster, 32-year-old electrician, was arraigned on bad check charges and his case continued a week for plea. Webster is accused of passing more than $200 worth of worthless checks in Peninsula cities while posing as an airlines pilot.

James Garibaldi, 32-year-old Redwood City laborer, was arraigned on a charge of annoying a schoolgirl, and his case continued one week for the entering of a plea.

SC Salary Move Halted

A move to increase the salary of San Carlos City Treas. Harry Grant was blocked this week by Carl Anderson, San Carlos city attorney on the grounds that it was not legal to increase the salary of an elected official during his term of office.

The proposal was made to the city council by Mayor Edward Burton who said that Grant's work had been greatly increased by a number of new assessment districts in the city. Burton suggested that Grant's salary be increased $25 a month.

Anderson, however told councilmen that Grant's salary could be increased effective during his next elective term.

Roberts, who receives $75 a month for her elective post as city clerk and an additional amount as secretary of the council.

Burton last night referred a letter from Charles F. Lane asking for a clarification of the

A request from the Redwood City Elementary School Dist. that Evergreen Lane in Atherton be closed was tabled by the Atherton Planning Commission this week, pending further consideration.

The school district recently asked the Atherton City Council to close Evergreen Lane, a short dead-end street, so that a school may be constructed there. The council referred the matter to the planning commission.

Ex-Housekeeper Asks for Parole

A Hillsborough housekeeper, sentenced to the California Institute for Women at Tehachapi for the theft of $22,800 worth of jewelry from her mistress, Tuesday, asked for parole.

Lilliam M. LaBord, whose prison term has been set at six years, will be given a hearing on Jan. 24 by the Tehachapi board of trustees, county officials were notified Tuesday.

Mrs. LaBord was sentenced to Tehachapi on June 25, 1946, by Superior Judge Aylett R. Cotton, after she was convicted of grand theft.

On Feb. 20, 1945, the housekeeper stole a $20,000 string of pearls, a $1200 diamond bracelet and a $1600 platinum brooch from her employer, Miss Renee McCreery, 118 Baywood Ave., Hillsborough. Mrs. LaBord was arrested in Oakland.

EPA Man, 21, Is Killed In Car Crash

James Charles Thoman, 21, 531 Runneymede St., East Palo Alto, died Tuesday morning in Santa Clara County Hospital of injuries suffered Monday when his car crashed in Santa Clara and rolled over.

Santa Clara police said Thoman apparently lost control of his stripped-down hot-rod as he drove across the intersection of Clay and Lafayette Sts. The car jumped the sidewalk, rolled over three times and threw Thoman out before it crashed into a tree.

He is survived by his parents, Mr. and Mrs. Victor Thoman of the East Palo Alto address, a sister, Mrs. C. M. Craig of Woodside, three brothers, Neil of Palo Alto, Paul L. Thoman of San Jose and Victor R. Thoman Jr., of Menlo Park. Thoman was born in Fresno. Funeral arrangements are pending at the Tinney Funeral Home, Palo Alto.

A boy and girl came within inches of death on El Camino Real in San Bruno at 4:30 o'clock Tuesday morning when their car struck an island in front of Tanforan race track, turned on its side and knocked down 40 feet of fence before it slithered to a stop.

Taken from the overturned car were the driver, William Taft, 17, of Atherton, and his cousin, 17-year-old Eileen Callaghan of 635 Brewer Way, San Mateo. They did not require medical attention, San Bruno police reported. They said the only apparent injury was a shaking up."

Taft told police his car went into a skid and that when a rear wheel struck the pedestrian island it toppled over and slithered across the highway into the fence at the Bruin Motel. This fence had been newly painted Monday afternoon.

Two pedestrians were struck by cars in separate accidents last night and Monday afternoon in San Mateo, and one was in critical condition Tuesday in Mills Memorial Hospital.

Pronounced in critical condition was George A. Boden, 79-year-old custom house broker, of 12 10th Ave., San Mateo. He suffered a head injury and cuts and bruises on the face and scalp.

According to San Mateo police, Boden was hit by a car driven by Herbert Vance McCormick, 29, of the Golden Eagle Hotel, South San Francisco, as he walked across Fifth Ave., west of San Mateo Dr., San Mateo.

McCormick was not cited by police.

The second pedestrian involved in an accident was struck by a hit run driver, and police have been unable to find a witness to the accident.

The victim was W. G. Hastings, 60, of 22 20th Ave., San Mateo, police said he was struck at 20th Ave. and Ivy St., San Mateo, last night after he alighted from a truck driven by a friend.

He was admitted to Mills Memorial Hospital for treatment of a broken left leg, and cuts of the right eye. His condition was pronounced as "good" this afternoon.

RC Cyclist Gets $75 Fine

Frank E. Davis, Redwood City motorcycle rider who led Atherton police on a 78-mile per hour chase from Atherton to Mountain View Nov. 24, was fined $75 for drunken driving by Judge Rowland King in Atherton Police Court Monday night.

Davis lives at 225 Oliver St.

John Albert Newman, of 2192 Mills Ave., Menlo Park, drew a 15-day sentence in San Mateo County Jail from Judge King after conviction on a drunken driving charge.

Judge King fined Lawrence Nurisio, a plumber with the Scott Co. of San Francisco and Belmont, $20 for violation of an Atherton ordinance prohibiting digging up of streets without a permit.

The cases of Pearl Van Gorden of Palo Alto and Alfonse Thompson of Atherton were continued to Jan. 10. Both are charged with drunken driving.

Two RC Residents Get Contractors' Licenses

SACRAMENTO (WNS) — Two Redwood City residents have qualified for general building contractors' licenses, the Contractors State License Board announced today.

They are: Harry A. Moore, 604 Hurlingame, and G. J. Mueller of the Woodside Building Construction Co., 14 Tynon Ave.

R. F. Martin Plans to Sell Bus Line to Palo Alto Firm

R. F. Martin asked the Public Utilities Commission today for permission to sell the Martin Transportation Co., a bus line with headquarters here for $40,000.

He said the prospective buyers were Evelyn M. Knapp and John P. Demeter, who operate the Palo Alto city lines.

The Martin line operates in San Carlos, Redwood City, Atherton, Menlo Park, Palo Alto and Woodside. Martin's petition said he wanted to consummate the deal by the close of business Dec. 31 as he planned to continue his activities to another business.

Martin explained here today that he wants to devote all of his time to the manufacture of buses, a business he has developed during the past year.

He also explained that the transaction between him and the Palo Alto lines included only the franchise and two buses. He would continue to own the majority of the vehicles now used.

The Palo Alto line operators said they planned to operate the two lines separately for the time being. But they also said they believed increasing population of the area and its future development would require operation of a single line.

They stated they hoped to develop "a sound and practical plan of consolidation" which they would submit to the PUC for approval.

Train Victim's Parents Sue SP

The parents of a 10-year-old boy killed last Feb. 24 by a train in Burlingame Tuesday filed suit in superior court here against the Southern Pacific Co. for $50,000.

Mr. and Mrs. Herbert J. Boehm, 735 Winchester Dr., Burlingame, charged that the Southern Pacific was negligent in that no watchman, adequate gates, fences or other safety appliances were maintained at the Oak Grove Ave. crossing.

Since the death of the Boehms' son, Robert, a watchman has gone on duty at the crossing.

Robert was on his way to McKinley Grammar School at 8:30 a.m. on the day that he was killed.

The boy waited until a northbound train passed, started across the tracks on his bicycle, and was struck by a southbound train, the complaint stated. The parents charged that the train which killed their son failed to sound its whistle or bell to give warning.

The Oak Grove Ave. crossing, the complaint stated, is the only convenient one for the use of children going to McKinley School or to Burlingame High School.

Fiesta Wins Court Ruling

The district court of appeals today affirmed a superior court decision ruling that County Executive Frederick Peterson has nothing to do with the annual county fiesta.

Peterson, however, said today that he hoped the case would be carried to the State Supreme Court.

"Nobody should start anything unless he intends to finish it," he declared.

The appellate court ruling was handed down in the taxpayer's suit brought by Roy P. Shean of Burlingame against the County Fair Assn., the board of supervisors, and Treasurer A. H. Sagehorn.

Shean contended that the $48,013 paid out for the 1947 fiesta was illegally disbursed, since the claims had not passed over Peterson's desk.

Superior Judge Andrew R. Schottky of Mariposa County last Apr. 30 handed down a ruling denying Shean's claim.

Two Persons Hurt In RC Accidents

Two persons suffered injuries in Redwood City automobile accidents Monday.

Pedestrian Gavino Cappiali, 69, 16 Selby Ln., suffered broken ribs and a broken left wrist when he was struck at Broadway west of Winslow St. by a car driven by Tadashi Tsukush, 17, 2031 Dumbarton Ave., Palo Alto.

Jennie V. Borelli, 33, 305 Cupertino Way, San Mateo, suffered abrasions and shock when a car she was driving and a truck driven by Dave Dunham, 32, 752 Fourth Ave., San Bruno, collided at Broadway and El Camino Real at 2:24 p.m.

Menlo Park Reports Four Holiday Fires

Menlo Park firemen had a busy Christmas weekend, putting out four fires—two of them totaling an estimated $5500 damage—and answering one service call.

A cabinet and one side of a room in a Stanford Village apartment, part of employes' quarters in building 324, were badly damaged by a fire of unknown cause reported at 1:15 p.m. Christmas day.

Smoke damage was also extensive, firemen said. Damage is expected to reach $2500, according to Chief Thomas Cuff.

At 2:58 p.m., Menlo Park district firemen were called to 1948 University Ave. in the East Palo Alto business district to battle another fire of unknown cause. The fire, in a house occupied by Mr. and Mrs. Grover C. Whitman, was centered in the living room, but other rooms were damaged by heat, firemen said.

Whitman and his family were out to dinner at the time of the fire. Chief Cuff estimated damage at about $3000.

An investigation to determine the causes of the two fires was underway today. The University Ave. house was owned by Stanley Kertz of Palo Alto, who had previously announced plans to move it off University Ave. to make room for a store building.

Hubby Passes Out, Wife Asks Divorce

A Redwood City woman, filing suit for divorce in superior court here, charged Tuesday that her husband left home on Dec. 21, passed out on Dec. 22 and is out for good, as far as she is concerned.

The suit was filed by Mrs. Juliet S. Sierka, 35, of 2591 Brewster Ave., against Theodore R. Sierka, 40, a real estate salesman, and Marian Hargrove, who was named corespondent.

Sierka, his wife charged, left home at 1:30 a.m. on Dec. 21 Mrs. Sierka claimed that he went to the Emerald Lake home of Miss Hargrove, an "alleged commercial designer."

It was there that Mrs. Sierka claimed she found her husband the next day.

While Mrs. Sierka and Miss Hargrove were discussing the situation, the man in the case passed out, the complaint alleged, "either from shame, shock, or the excessive imbibing of alcoholic beverages."

The wife claims that he's still there.

Mrs. Sierka is asking the court for a divorce and for "reasonable" support. The couple married in New York City on Apr. 28, 1947. There are no children.

Carrigan Heads Labor Council

Edward J. Carrigan was elected president of the San Mateo County Central Labor Council without opposition Monday night. He succeeds Robert F. Wertz.

Carrigan is secretary of the Building Service Employes Union and has long been active in county politics. He ran for state senate on the Democratic ticket earlier this year.

Mrs. Ruth M. Bradley, business agent of the Laundry Workers Union, and Carl E. Cohenour, secretary and business agent of the Retail Clerks Union, were re-elected treasurer and secretary, also without opposition. C. W. Preston was named vice president.

Elected to the executive board were Preston, Fred Rentz, Richard A. Armstrong, Mrs. Bradley, Harry Starling, Thomas A. Small and C. L. Woods.

ROSE BOWL BOUND—Redwood City residents fortunate enough to attend the Rose Bowl football game and flower festival in Pasadena New Year's Day will be proud to see home-grown chrysanthemums among the floats. More than 1,000,000 'mum blossoms were shipped from here today by Mee Bros., Woodside Rd. opposite Kentfield Ave., to the southland. The 'mums were purchased by E. H. Daniels Associates, Los Angeles industrial designers who are constructing several floats for the Rose Bowl parade. Among the floats using the local flowers will be those representing the cities of Los Angeles, Santa Monica and San Diego; the California Centennial Commission, which will depict the signing of the first state constitution at Monterey, and several industrial organizations. Nelson Nuttall, member of the Daniels firm, said that 'mums grown here are better at this time of year than those from other areas, including Southern California. Nuttall, in the truck, receives flowers from Bill Mee, local nurseryman.

Why we say "THANK YOU" four million times a day

1. When the operator says "thank you" as she handles your call, she is of course following a telephone tradition for courtesy. And every day, up and down the Coast, those words are repeated more than four million times by local and long distance operators who are—as always—doing everything they can to give prompt, cheerful service.

2. These are busy days in the West's telephone offices . . . more equipment is handling more calls, twenty million of them each day. And service generally is better, you'll notice. There's relatively little wait for the dial tone. Operators are able to answer more promptly in most places. Long distance calls usually go through in two minutes or less.

3. He's "dropping a line" for another new telephone . . . since V-J Day more than a million have been added on the Coast. We're putting in still more thousands every week. And telephone people . . . operators, installers, service representatives . . . all are doing their level best to welcome our new customers in their usual friendly and helpful way.

4. As 1948 ends, Pacific Telephone adds another "thank you"—for your patronage. We deeply appreciate the understanding of those waiting for service. We are doing our best to provide the telephones the West needs and to make your telephone increasingly valuable to you.

Lois Bray's Betrothal to Fred Mangini Told on Two Different Occasions

The news that Lois Bray, daughter of Mr. and Mrs. Phil Bray of 254 Jeter St., is the bride-elect of Fred Mangini, son of Mr. and Mrs. August Mangini of Oakland, was told recently on two separate occasions.

Relatives and friends of the couple's families first heard the news a few days before Christmas at a dinner given by the bride-elect's parents at their home here.

The second announcement was made at a get-together of former Sequoia High School classmates of Lois' given by Norma McKeegan at her home here. The announcement was made in the form of a Christmas gift, which when opened proved to be a large cake inscribed with "Fred and Lois." Classmates of Lois who attended the party, besides the hostess, were Mrs. Bob Reed (Nancy Ortman), Lois Leonheart and Betty Jean Driffill of San Carlos. Grace Marozik, another former high school classmate, was unable to attend.

Both Lois and Fred are students at San Jose State College. Lois is an education major and a member of Gamma Phi Beta Sorority and Fred is a physical education major and a member of the college football team.

The couple is planning to be married sometime in June of next year, following Lois' graduation.

Lois is a graduate of Sequoia High School and has one brother, Philip, who also is a student at San Jose State College.

Fred is a graduate of Oakland Technical High School and has two brothers, Al and Roy, and a sister, Violet, all of Oakland.

TROOP 83 of Taft School recently held its first investiture service at the home of Mrs. Harold Petterson on Hoover St. A fly-up ceremony for the former Brownie members opened the program and was followed by the girls reciting the Brownie promise and singing Brownie songs.

Mrs. Thomas Kennedy presented the following girls with their Brownie wings: Avis Conroy, Peggy Brackeen, Barbara Ann Ferris, Patsy Franklin, Louise Gentry, Linda Jones, Beverly Denton, Patsy Morasch, Carol Kopelkin, Diane O'Brien and Jeane Waite.

The Brownie group and Joyce Keller, Beverly Turner, Catherine Petterson, Roberta Stevens and Marlys Shoemaker were then welcomed as Tenderfoot Scouts to the troop by Mrs. Edward Morasch, the troop leader.

Following the ceremony the girls built a flag with the story of the Stars and Stripes read by Beverly Denton and Catherine Petterson.

The evening closed with the exchange of Christmas gifts followed by the singing of carols and refreshments. About 20 parents attended the ceremony. Mrs. Luther Gentry Jr. is coleader of the troop.

MAMA CAN DO EVERYTHING

I've always thought that the days between Christmas and New Year's are when we should have Thanksgiving. No less than in November are they the days for us to count our blessings, and to give thanks to those who make life so pleasant for us.

So today we give thanks to America's mama.

Mamas, bless 'em, can do anything. Did you ever stop to think of their versatility?

Mama is a laundress, swift and sure in her movements. Mama is a chambermaid, restoring order to a chaotic bedroom in the twinkling of an eye. Mama is an insect exterminator, deathless foe of flies, ants and mosquitos.

Mama is a clothing expert. She knows what to buy and where to get it most economically. She knows how to remodel big sister's clothes for little sister, or dad's old overcoat into a snappy number for a 'teen-age son.

Mama is an interior decorator, she can re-do the whole atmoswhere of the house by a few deft furniture changes and a couple of new flower arrangements.

Mama is purchasing agent, expert in buying home supplies and equipment. She is an investment expert too, handling about 85 per cent of the family funds of our country.

Mama is a dietician, with endless menus, all well balanced, stretching out in her future. Mama is chief cook. Her recipes may come from her head and she can't tell you how she does it, but yum, yum, does she succeed!

She is chief bottle washer in most homes but we won't go into that.

Mama is social secretary. She sees that our social obligations are met, she corresponds with the old folks, even her in-laws look to her for their letters.

She is an expert accountant, making the books balance each month. She is even capable of understanding these income tax blanks!

She is a first aid expert, and an amateur physician when emergencies arise. These days, when so many doctors try to avoid making home calls, she has to be a diagnostician too.

We fathers do appreciate our own mothers. We buy the books of our contemporaries that tell about their childhood with their mamas. We exalt the lady who brought us into the world. We flock to movies like "I Remember Mama."

We fathers may think that our mamas were better than those of any other generations.

But fathers, let's not forget our wives, our children's mamas. They are at least as good as our mothers were. Maybe better.

Let's take time this holiday season to let our wives know that we appreciate them. Now, during the busiest years of their lives, is when they really need our thanks and our help.

Thank you, mamas, we males may be absent-minded about it most of the year but now we want you to know how much we do appreciate you.

A quick and easy way to seal freshly cooked jelly into a glass with paraffin is to melt the paraffin in a porcelain-enameled teapot and let the teapot spout direct the sealer in an even stream over the jelly or jam. Melt paraffin by placing in teapot in a pan of hot water. If you want to store paraffin in the teapot during the jelly-making period, cover the spout and the top to keep the sealer clean and ready for use.
